JUNE 14

SUMMER HOLIDAY'S

Thank you for returning the holiday booking forms so promptly, it helps us to arrange transport confirm outings and arrange the appropriate staffing levels.

We have had a lot of positive feedback from the parents and children and all seem to be very pleased with the programme. There is something to suit every child attending. Staff works hard to make the summer programme as exciting, stimulating, active and fun for the children so that their summer holidays are as enjoyable as they can be.

CAR PARKING

Some parents are still not using the car park. When we put up the cones to stop parents driving up to the gate it is fine as soon as we remove the cones some parents return to driving up to the gate. It is imperative for the safety of all children for parents to use the car park please

KEEPING HASP INFORMED

Once again not all parents are keeping HASP informed if their child will be absent from the project.

It is the role of the parents to keep HASP informed if their child will not be attending. Please keep us updated with this information by text before 2.30 pm. This daily information is important before we leave the premises for arranging transport. Please remember we have other children in our care at this time. Not keeping us informed can affect your child's place. Thank you.

HASP CONTACT NUMBERS

Please text or call any of the numbers below to speak to or leave information if child is absent.

Jean: 07843735318

Leticia: 07910259352

E mail: jeanberryhasp@hotmail.co.uk

Jean is on holiday from the 7th June for two weeks. Could parents please use the contact number for Letitia during this time?

AUGUST TERM

Please inform staff if you are returning to us in August to ensure we reserve your place.

NEW FEE STRUCTURE

Unfortunately HASP are having to increase fees from 1st September 2014

It is almost three years since HASP had a fee increase and it is necessary to meet increased costs, we have kept the increase term time to a minimum. From September a full day holiday cover will be £25.00, however this still only works out from 8 – 6 at only £2.50 per hour.

The new fee structure is attached. Please remember HASP has a monthly structure and not a daily one and fees are due every month from September – June unless holiday cover is included. Please change your standing order from the 1st of September.

HASP WILL NO LONGER ACCEPT CASH PAYMENTS FOR FEES FROM SEPTEMBER 2014

Sorry for any inconvenience this may cause parents however it is necessary as we do not have the proper facility to hold cash.

CHILDREN'S FUNDRAISING ENTERPRISE

The children have now purchased a tablet from their fundraising of selling cakes and we hope to continue with this enterprise. Unfortunately at the moment we are having difficulty in connecting to the internet within the school, however we are addressing this and are waiting for SLC IT department to contact us.

COMMITTEE MEETING

Next committee meeting will be held in August after the summer holidays date to be confirmed.

Have a great summer and we look forward to seeing you all again next term.
